BERNARD

by Simon Pengelly

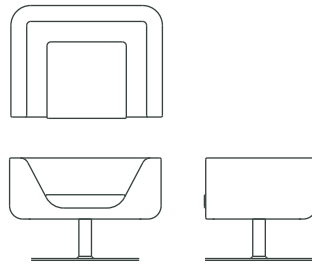

TECHNICAL DATA

BERNARD by Simon Pengelly

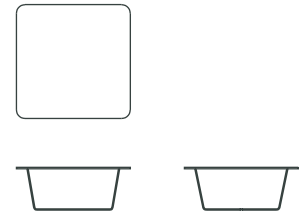

With a generous seat depth and gently reclining back, BERNARD provides a luxurious sit for both domestic and contract interiors. Manufactured using a solid hard wood frame and upholstered with CMHR multi density foam, the range is available as a two or three seat sofa, corner unit and chair with either brushed stainless steel straight or frame legs or powder coated swivel base with self-righting mechanism. Optional scatter cushions are also available. The coffee table has matching frame legs and is available with a compact laminate top or oak veneered top with solid lipping. Available in a wide range of contract fabrics or leathers.
